Observations... From Around Town

(BY JAY WHOZIT)

This is a personal note to the Mayor and City Commissioners—numerous individuals and this writer have called your attention to the need of a traffic light at the Beach and Highway 90—someone is going to be seriously hurt, perhaps killed at this intersection—if this should happen you are going to have a hard time living with your conscience—a light does not cost a fortune and the small amount that will have to be expended for it will more than compensate the saving of a life or the maiming of a human being. . . . Yesterday, Thursday, November 11th, marked the thirtieth anniversary of the day, when the "cease fire" order ended World War I, and since that time we have fought and won another war against even greater odds. And so on this Armistice Day, it is not enough to honor the brave dead of these two wars, by bowing our heads in prayer instead we should work together relentlessly to prevent another war—work to build an everlasting peace—in this way can we pay them deserving tribute. . . . Stanislaus added another chapter to its history of athletic triumphs, on last Sunday in Birmingham, when the Fleas and Flies of St. Stanislaus captured the Toy Bowl game by the score of 32 to 20. . . . our congratulations to the players and their coaches for a swell job. . . . we wish to take this opportunity to extend our sincere congratulations to Commissioner and Mrs. W. L. Bourgeois, who celebrated their fiftieth wedding anniversary on Wednesday of this week. . . . may they continue to enjoy many more years of wedded bliss. . . . The Second Annual Chocoflate Bowl football game was played last night at Stanislaus Stadium before a capacity crowd, and the entire proceeds of the game went to the building fund of the local Clement R. Bontemps Post of the American Legion, and so we want to doff our hats to our local colored lads who participated in this game for such a worthy cause. . . . if you don't think Christmas is right around the corner, take a ride around town and notice the poinsettias in bloom. . . . this week November 7-14 is National Flower Week, and we've heard of days and weeks being named for many different things, but this week Governor Fielding Wright proclaimed the period from November 15 to December 15th as "Pecan Month" in Mississippi, and has called on citizens to make as wide use of pecans as possible during that time. . . . the state highway patrol reported this week that Mississippi traffic deaths in October were the greatest for any month on record and have announced a safe-driving campaign to begin November 15th and word has been sent out to all officers and cooperating officials to start at once on renewed efforts to cut down on accidents. . . . now that the Christmas shopping season is at hand, may we suggest that when you start your shopping, be sure to try your own local stores first before you go out of town to buy something which could be bought right here at home for the same price or maybe even less, thereby helping your local merchant and keeping your money in your own community where it can do the most good. . . . the total official vote for the state on November 2nd was 192,247, and this was 20,000 more than was cast in 1944. . . . Bay St. Louis has a new "Gentleman" farmer in the person of O. C. Delph, who will soon move out of his newly purchased farm on Dunbar Avenue.

—Mr. and Mrs. M. J. Necaise and family spent the past week end at Kilm visiting relatives.

—Dr. and Mrs. E. W. Woods of Los Angeles, California; Mr. and Mrs. D. Bayford of Houston, Texas; Mrs. D. J. Larocca and Mrs. Lawrence Stahn of New Orleans, were week end guests of Mr. and Mrs. A. Palmisano.

—Gregory Gaines Kergosien, son of Mr. and Mrs. H. L. Kergosien, a senior in the college of liberal arts at the University of Mississippi will head the hospitality and pages committee, during Religious emphasis week, which will be held at the University from December 5 to 8.

—Mrs. Ira C. Kenmar and Mrs. F. J. Nelson will be among those going to New Orleans on Saturday for the football game. They will be guests in New Orleans of Mrs. Nelson's daughter, Mrs. Charles White at a buffet supper following the game.

—The many friends here of Mr. Paul Thriffley, a former resident of this city, will be glad to know that he has been removed from Hotel Dieu in New Orleans where he has been for the past several weeks and is now at his New Orleans home. Mr. Thriffley fell at his place of business and sustained three breaks in his left leg. For some time it seemed as if amputation was unavoidable but that danger is now past and he is well on the road to recovery.

Flea And Fly Game At Birmingham Dedicated To Memory Of Brother Peter

Flea And Fly Game Originated At St. Stanislaus By Brother Peter—Many Great Football Players Started Their Careers On These Teams

The Third Annual Toy Bowl Game was played in Legion Field, in Birmingham, Alabama, on Sunday, November 7th, 1948, before an estimated crowd of 15,000 fans, many of whom were from this locality, and who travelled to the Alabama City to urge the Fleas and Flies from St. Stanislaus to victory. For the second time in the three years that the Toy Bowl Game has been played in Birmingham, the boys from St. Stanislaus have been invited to participate in the game. The Flea and Fly Game was originated at St. Stanislaus by the late Brother Peter in the early Nineteen Twenties. In these games the small boys from the grammar grades competed in the annual football game, which has been played in late years for the benefit of the Brother Peter Christmas Tree Fund. Such stars as Marchmont Schwartz, John Scafield, Harry Glover, Jr., and many others too numerous to mention, started their football careers on the St. Stanislaus Fleas and Flies. It is indeed pleasing to note that a City of the size of Birmingham has adopted the plan that originated here; the only difference is that they invite a team from away to play their local team.

The game is played for the benefit of the John Carroll Memorial High School, and all proceeds of the game over and above the expenses is used for the retirement of the indebtedness of this institution.

The game this year was dedicated to the memory of Brother Peter by the Most Reverend T. J. Toolen, D. D. Bishop of Mobile, in whose Diocese Birmingham is located and under whose direction the John Carroll Memorial High School is operated. He dedicated the Toy Bowl Classic to Brother Peter in these words: "This year's Third Annual Toy Bowl Classic is played in affectionate memory of Brother Peter, whose life was devoted to the spiritual, mental and physical development of our young manhood."

The boys from St. Stanislaus who made the trip on the Hummingbird to play in the game were:

Fleas: Thomas Schoen, John Caruso, Maurice Patterson, Bill Gearheart, Freddie Cabell, Gerald Kimble, John Weston, Robt. Falgout, Wm. Scarborough, Leonard Benvenutti, Thomas Call, Howard Reeder, John Busbee, Russell Simons, Shelby Tucker, Walter Kelly, George Vinson, Edmund Aime, Vincent Liberto, James Curran, Allan Geary, Jerry LaNasa, Moises Garcia, Eugene Schwartz, David Tucker.

Flies: Henry Capdepon, Eugene Guccione, Roger Heitzman, Gregory Favre, Jimmy Gilmore, Henry Eleagar, James Holmes, Luke Saucier, Gene Cagle, Paul Palermo, Robert Mills, Jack Ehlinger, Hartwell Gex, Richard Woods, Roger Rosenberg, Jack Cassidy, James Collins, Joseph Mollere, Charles Curet.

Usher Society To Conduct Drive For Annual Collection For Orphanages At Natchez

Drive Will Start Sunday, November 14th—Ushers Will Call At Homes—All Asked To Be As Liberal As Possible For This Worthy Cause

The annual collection for the Catholic Orphanages at Natchez, Mississippi, will begin on Sunday, November 14th, in the Parish of Our Lady of the Gulf. The drive for funds for these institutions is an annual affair, however last year due to the hurricane damage that was sustained in Bay St. Louis the drive was not held.

Right Reverend Monsignor Andrew J. Gmelch, who is ex-officio chairman of the drive committee, is asking that contributions be made at the time that the Ushers call at the homes so that it will not be necessary that a second trip be made, and in this manner the drive may be brought to an early conclusion. All are asked to be as liberal as possible for this worthy cause.

Contributions to the orphanages is not limited to Catholics, and children of all denominations are accepted and cared for.

"George Washington Slept Here" One of Best Plays Little Theatre Has Presented

"George Washington Slept Here" was acclaimed one of the best plays so far presented by the Little Theatre. A fast moving comedy, built around a city family remodeling a country home, gave a strong cast good material with which to work.

Ethel Floyd and Denny Tonkel as Mr. and Mrs. Fuller let the audience enjoy vicariously many of the problems of married life, while Al Wein-furter was a true picture of the "Down East caretaker; J. J. Keller as Uncle Stanley became some well known relative to all who saw him and proved himself a true comedian. Another actor to prove her versatility was Eddie Melcher as Hector, the maid, who made a bit part an unforgettable character. The romantic roles were portrayed by Jimmy and Bill Smith, while the supporting roles included Mary Hatcher, Marquita Freeman, Dick Shadoin, Laura Gray, Shelby Tucker, Lee Pearson, Andy Gray, Mary Frances Seafidi, Mitzie Manier, Bill Freeman and Martin Note.

John Bell directed the play and deserves much credit for a good production.

Chamber Of Commerce Membership Drive For 1948-49 Meets Success

Membership More Than Doubles That of 1947-48—Drive Committee Under Mayor-Elect Warren Carver Very Active—Cooperation Of All Business Men Needed To Build A Bigger And Better Hancock County

The membership drive for the Hancock County Chamber of Commerce has been very successful. It was launched on November 1st, under the leadership of Warren Carver, mayor elect of the City of Bay St. Louis, as Chairman of the Committee. On the evening of November 2nd, a shrimp boil was held at Hotel Reed for the members and prospective members to stimulate interest in the drive. More than 75 were in attendance at this meeting, at which Harold W. Clark, Industrial Representative of the Mississippi Power Company, was the guest speaker. Mr. Clark cited that the only way to build a city is through co-operation; that cities are built by men, through their cooperative efforts and energies to build. "All must join hands in a cooperative spirit," said Mr. Clark, "or you will have a dried up or lifeless community." The only medium through which you may join hands is your Chamber of Commerce.

Entertainment for the occasion was furnished by Jack Carter and Betty, entertainers at Tropical Inn, who featured vocal and musical numbers for the enjoyment of the members.

Tuesday night of this week, the regular meeting of the Chamber of Commerce was held at the Court-house, with many members present. The report of the membership committee was received and at that

time a total of 105 had paid their 1948-49 dues, and at this writing more memberships have been received. The membership of this year is more than double that of last year. Next week and until the conclusion of the drive the membership list will be published in the Echo. You owe it to your County to join the Chamber of Commerce. The dues are only \$12.50. Through your efforts your County may be made bigger and better. It may be your suggestion that will bring this about. If you are not a member of the Chamber of Commerce you are not in a position to offer this suggestion. You are not in a position to work to build your County. It takes cooperation with civic pride, and a united effort on the part of the business men of any community to build it. The way for the business men of Hancock County to speak is through their Chamber of Commerce. Won't you help, by joining your Chamber of Commerce.

At the meeting on Tuesday night, several suggestions for things most needed in the County were received; and a definite program to bring them to a successful conclusion will be planned and carried out. The meetings will be held at 8 o'clock P. M. on the second Tuesday of each month. If you are a member set aside one hour of your time on this day for the building of a better and bigger Hancock County and attend the Chamber of Commerce meeting.

These suits are being bought from the Southern Sporting Goods Co., through Mr. Glover. H. Gregory, Mrs. Earl Ramond, Dr. and Mrs. T. B. Sellers, Mr. and Mrs. David Middleton, Mr. and Mrs. R. C. Tomlinson, Gerry Middleton, Joyce Middleton and Janet Breland.

This was a coming together of the visiting Evangelists who held revivals in the Coast Baptist churches during the past week, the pastors of the churches and the music directors. It was an unusual opportunity to have a treat of sacred music and to mingle with the 3,000 people meeting there in one common cause.

The program was an organ prelude and the congregational singing of the hymn "The Cross." The opening prayer was given by the host pastor Rev. J. T. Odle and then the congregation sang "Nothing But the Blood." Two Gospel choruses were sung, "He Lives" and "If You'll Take My Jesus." Rev. James Street gave a parable and Rev. E. R. Anderson made the announcements. The combined choirs of all the churches sang as special numbers "Tell Me the Story of Jesus" by Sweeney-Crosby and "Hallelujah For The Cross."

Dr. James W. Parish preached the sermon and Dr. L. E. Green gave the benediction. Billy S. Hillman led the singing and Mrs. J. L. Head presided at the organ with Mrs. W. N. Gist and Mrs. J. T. Odle at the piano.

ORTIE THEATRE SUN - MONDAY "MR. BLANDINGS BUILDS HIS DREAM HOUSE"

With Cary Grant, Myrna Loy, Melvyn Douglas

In the midst of his dreams, Mr. Blandings, played by Cary Grant, has to face reality when he finds that his lawyer, Melvyn Douglas, was his wife's (Myrna Loy's) old beau in RKO's hilarious comedy, "Mr. Blandings Builds His Dream House," which the Selznick Releasing Organization opens at the Ortie Theatre on Sunday and Monday.

The Picture revolves around a Manhattan family, the Blandings, who decide to give up their cramped apartment and to rebuild an old farmhouse in Connecticut.

With a trio of stars who have long become associated with sophisticated comedy Mr. Blandings Builds His Dream House is a skillful treatment which closely follows the plot of the best selling novel by Eric Hodgins.

Presented by Dore Schary as an RKO Radio picture for distribution by the Selznick Releasing Organization, there is Cary Grant, who can still provoke a laugh with a grunt, a groan, a grimace or a gesture, and Myrna Loy as the husband and wife cliff-dwellers of a city apartment who start out with a limited budget and end up with a bill four times their planned investment. Then, there's Melvyn Douglas, lawyer and family advisor, who becomes the innocent third party of a marital complication. And there is an excellent supporting cast which includes Reginald Denry.

November Meeting Of St. Joseph Mothers Club Held Tuesday

The November meeting of the St. Joseph Mothers Club was held in the school library on Tuesday afternoon, November 2nd, with Mrs. F. R. Curran, President of the Club, presiding. The opening prayer was offered by Mother Blanche.

Following the reading of the minutes and of the financial report, the committee in charge of the Spaghetti supper, gave their report showing net receipts of \$315.60. The spaghetti supper is an annual affair given for the benefit of the Mothers Club, and it is hoped by the members of the club that they will be able to improve the service for the 1948 supper.

The first meeting of the Carnival Ball Committee will be called with the next two weeks by the President, Mrs. F. R. Curran.

A group of the members will meet with Mother Blanche on Monday, November 15th, for the purpose of revising the by-laws.

The prize offered to the class for the most mothers present, was won by the Senior-Junior classes, and the door prize was divided between the treasury and Mrs. Argyle Mitchell. The meeting was closed with a prayer by Mother Blanche. Co-hostesses of the social hour were Mrs. W. A. Prewitt and Mrs. O. W. Delph.

Bygone Days

DECEMBER, 1896

Miss Philo Monti attended the marriage of her cousin in New Orleans on the week end of December 6th.

Owing to the failure of the arrival of oil, Bay St. Louis was in total darkness on Monday night, November 30, 1896.

Mr. and Mrs. H. A. Perre, received a son Tuesday, December 1, 1896. The reputation of Main St. must be sustained," so said the editor of the Echo at that time.

Mr. and Mrs. Warren Pieri rejoiced over the advent of a new girl baby. It was the wish of the staff of the Echo at that date that it would live long and make the world happy.

Mrs. H. R. Piccaluga and daughter, Miss Angeine, visited friends in Bay St. Louis on Sunday, December 6, 1896.

The feast of the Immaculate Conception was celebrated at the Church of Our Lady of the Gulf in a most elaborate and fitting manner.

JANUARY AND FEBRUARY, 1897

The Christmas tree entertainment was a success; Sister Agnes and Miss Wagner assisted by several young ladies of the place were deserving of much credit.

Charming Miss Lottie Cuneo visited friends in New Orleans.

Miss May H. Edwards returned from a stay in New Orleans and in Mobile where she was a representative at the convention of southern educators. Miss May is a very intelligent girl and will win her way through the world at all times.

Mr. G. C. Osoinach, who for over two years was associate editor of the Echo, severed his connections with the paper. He moved to New Orleans where he went to publish "The Weekly," a journal of elevated principles which was devoted to literary and social topics.

The editor's wife Mrs. Charles G. Moreau, while standing before a lighted grate on Sunday, February 1, had her dress to ignite and was soon enveloped in flames. Her calls brought immediate assistance and a most dreadful occurrence was averted.

The infant daughter of Mr. and Mrs. Louis Spotorno, Judith Amelia, was christened on Sunday, February 1. Dr. and Mrs. Rice of New Orleans were sponsors.

Mr. and Mrs. A. G. Osoinach announced the birth of a son.

TAKE THAT SOCIAL SECURITY CARD WITH YOU

"Be sure the boss gets that social security number down, and that he gets it down correctly," is the suggestion to all workers made today by Mrs. Lula Wimberly, manager of the Gulfport office of the Social Security Administration. The best way to make sure that the record is correct is to see that you have your official social security card with you when you apply for a job, and when you report for work the first day.

The Social Security Administration must rely upon the number in keeping a record of your individual account because there are literally millions of identical names. The only way your employer can make complete reports to the Government, and thus make sure that your account is properly kept, is to have the information as to your name and number. If you fail to do your part by taking your card with you you may lose part or all of the benefits that are rightfully yours; worse, you may be depriving your family of the insurance protection that the social security program provides.

The Social Security Act sets up certain requirements as to the amount of work which is necessary before an employee or his family, may become eligible for benefits. While these requirements are liberal, cases occur where a small amount of wages makes the difference between eligibility and non-eligibility. Social Security Administration files show instances in which the decision hinges upon wage amounts of \$5.00 or less. One small wage payment may make very little difference in what you or your family will receive, but it can make a substantial difference. At any rate, no worker can afford to take a chance by being careless or negligent in furnishing the number to his employer.

BAY HIGH LOSES HOMECOMING GAME TO HOME DEMONSTRATION

The Bay High Homecoming celebration was slightly marred by rain and mud and a crushing 25-7 defeat at the hands of the Hattiesburg Home Demonstration School.

The light Tiger team was never able to hold their opponents, although they gave ground grudgingly to the visitors. The mud and rain badly handicapped the light but fast Tiger Backs, as they depend on their speed which requires sound footing.

Friday night, November 12 the Tigers play their last game of the season when they meet Peters High in New Orleans.

ST. STANISLAUS FLEAS-FLIES WIN IN TOY BOWL GAME

Local Lads Defeat Birmingham Knights By Score Of 32-20

The St. Stanislaus Rockchaws, of Bay St. Louis, utilizing their speed and power to the limit, defeated the Birmingham Knights, 32 to 20, at Legion Field Sunday, December 7th.

A crowd of more than 9,000 fans was on hand to see the third annual Toy Bowl Classic which was played in memory of Brother Peter, late head of the Bay St. Louis school.

The victory for the Rocks was the first time for an invading team against Birmingham's Toy Bowlers.

St. Stanislaus' heavier team—the Fleas—did all of the scoring for the winners, counting two touchdowns in the third.

Meanwhile, Birmingham's smaller team—the Flies—did all of the Knights' damage against their opponents. The Knight Fleas, sparked by Left Halfback Terry Murphy, scored all three of their touchdowns in a rousing second quarter rush.

Right Halfback James Holmes and Fullback Gene Cagle scored twice each for the Rocks, and Quarterback Paul Palermo, a master ball-handler, scored once again for the visitors. Murphy, Fullback Wendell Ryan and Left End Richard Bohorfoush accounted for the Knights' touchdowns.

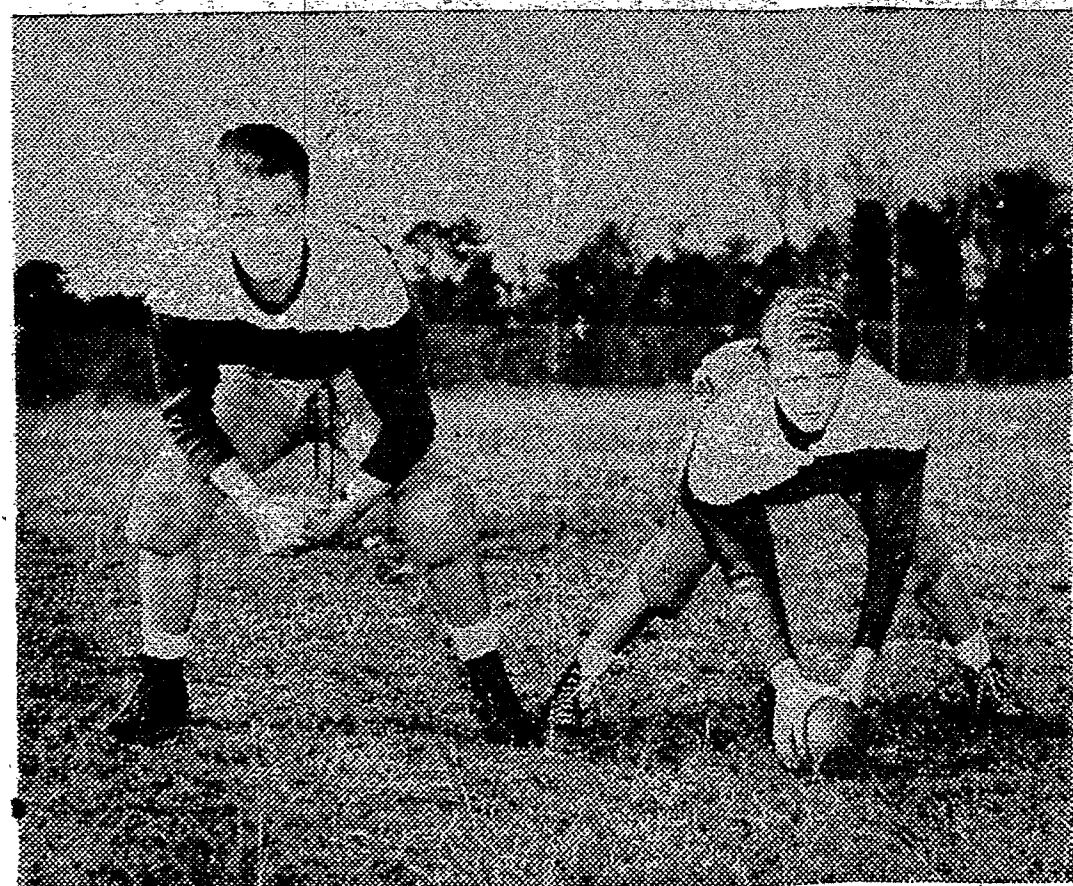

The Rocks got away to a 14-0 first quarter lead, scoring on two long drives. But the Knights, inserting

their Flea combination in the second period, hustled across three touchdowns to take a 20-14 halftime lead.

The Rockchaws, not to be denied, stormed back for three more touchdowns in the third period to tie the game. The smaller Rockchaw gridders, who had given up three touchdowns in the second period, took over again in the last period and turned every Knight thrust short of paydirt.

The game's scoring went thusly: First period: The Rockchaws, taking over on their 30 following an exchange of kicks, scored in five plays. The payoff play was a 44-yard right end run by Holmes, with Palermo blocking out the last three Knights. Holmes passed to Left End Henry Capedon for the extra. The next touchdown wasn't long in coming, Holmes setting up the drive by intercepting a pass on the Birmingham 41. After Cagle and Holmes advanced the ball to the Knights two, Palermo hit right guard to score. Holmes hit the same spot in adding the extra.

Second period: Enter the Knights' Flea combination and the start of fireworks aplenty. An alert Knight defense started all three touchdown thrusts recovery of two Rock fumble

The St. Stanislaus Centers were: Robert Mills, left, for the Flies and Maurice Patterson, right, for the Fleas.

Meanwhile Left End Bohorfoush outran the Rockchaw defense and took McAlley's southpaw pass. It was a simple matter for Bohorfoush to go the last 10 yards all by himself. The try for the extra was stopped short.

Third period: The Fleas—these boys weigh up to 120 pounds—took over again. St. Stanislaus swept 60 yards in three plays for its third touchdown of the game. Cagle scooted around left end for the score-tying points. His run was good for 18 yards.

The Rockchaws went 45 yards for touchdown No. 4, starting the drive following a Knight kick to that point. Holmes tossed a 20-yard pass to Cagle for the score after it looked as if the lad would lose 10 to 15 yards before he could get away his pass.

Palermo recovered a Birmingham fumble to start the Rocks on the way for their last touchdown. He got the ball on Birmingham's 37. With Holmes and Cagle alternating, the Rockchaws moved to the Birmingham four. On first down from there Holmes took a flip-out from Palermo to score on a left end sweep.

The last period found Birmingham's Fleas driving to the St. Stanislaus three and to the 20. A fumble by McAlley at the three broke up one drive, and an inspired Rockchaw defense halted the other drive.

St. Stanislaus (32)—Flies—Ends, Capedon, Gilmore, Saucier; tackles, Heitzmann, Gex, Curet; guards, Molere, Favre, Guccione, Eleazer; center, Mills, Cassidy; backs Palermo, Holmes, Cagle, Wood, Collins, Rosenberg, Ehlinger.

46. Murphy got seven yards, and then came the game's prettiest play. Murphy reversed the ball to Right Halfback James McAlley for a pass.

ST. STANISLAUS DEFEATED BY CATHOLIC HIGH

The St. Stanislaus Rockchaws and the Catholic High Golden Bears of Baton Rouge battled on even terms in the mud for three quarters last Friday night but the Bears managed to pull over two touchdowns in the fourth period to win 28-12.

The Rocks went into an early lead in the first quarter, when Joe David scooped over the goal slot for 38 yards and a marker. Minutes later the Bears scored and led 7-6 at half-time.

In the third quarter the Bears scored another 7 points to the Rocks 6. (The fourth period saw the winner score twice on a tired but game Rockchaw team.)

"From where I sit"
... by Joe Marsh

End of the Two-Beer Alibi

Up to a few years ago, when an unsteady motorist was arrested for driving while intoxicated, he frequently sought leniency by saying, "I had only two beers, Judge."

It came to be known as the "two-beer" alibi, and sometimes it worked, and at other times it didn't, depending pretty much upon the traffic court's gullibility.

It doesn't work any more because traffic judges today know that two beers cannot intoxicate. Moreover, motorists have a way of proving their innocence, if they had only two beers.

The National Safety Council and American Medical Association agree that a person with a concentration of alcohol of less than .05% (one part in 2,000) in the blood is definitely sober.

From where I sit, science has underscored what experience has long established—that beer is indeed America's beverage of moderation.

**Christmas Trees
made of
STEEL**

The oil and gas industry, like many other American enterprises, has developed its own vocabulary. Because of its resemblance to a Christmas tree the huge control head on a producing well has acquired that name. Built of steel to withstand extremely high pressure, the Christmas tree is screwed securely to the top of the casing and anchored to the concrete of the derrick foundation. A heavy valve or "choke" in each pipe controls the rate of flow from the well to the oil and gas separators a short distance away.

The principles of sound oil and gas conservation require the use of modern equipment and scientific production methods to obtain the greatest possible recovery of these valuable natural resources. Mississippi is fortunate in having a comprehensive and modern conservation law, thereby providing assurance that our oil and gas reserves will be produced with maximum efficiency.

This is of importance to you as a citizen because that helps the sound development of our oil and gas resources helps Mississippi and all Mississippians.

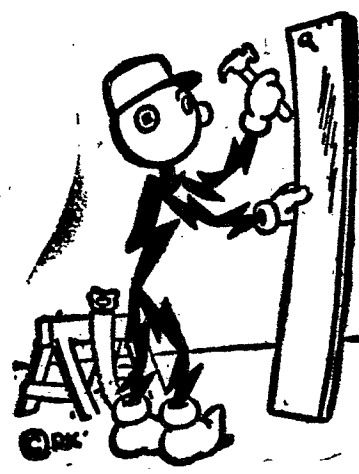

This is one in a series of informative messages published in the public interest. Your comments or questions are welcomed.

WHAT DO NEW INDUSTRIES MEAN TO YOU?

The many new industries which have located in the area served by Mississippi Power Company in the last few years have required scores of thousands of feet of floor space. In addition to this, established industries have in several cases greatly expanded their operations with a resultant increase in floor space.

This has been a direct stimulant to the building trades, contractors and building supply companies and in turn has provided home markets for many raw materials.

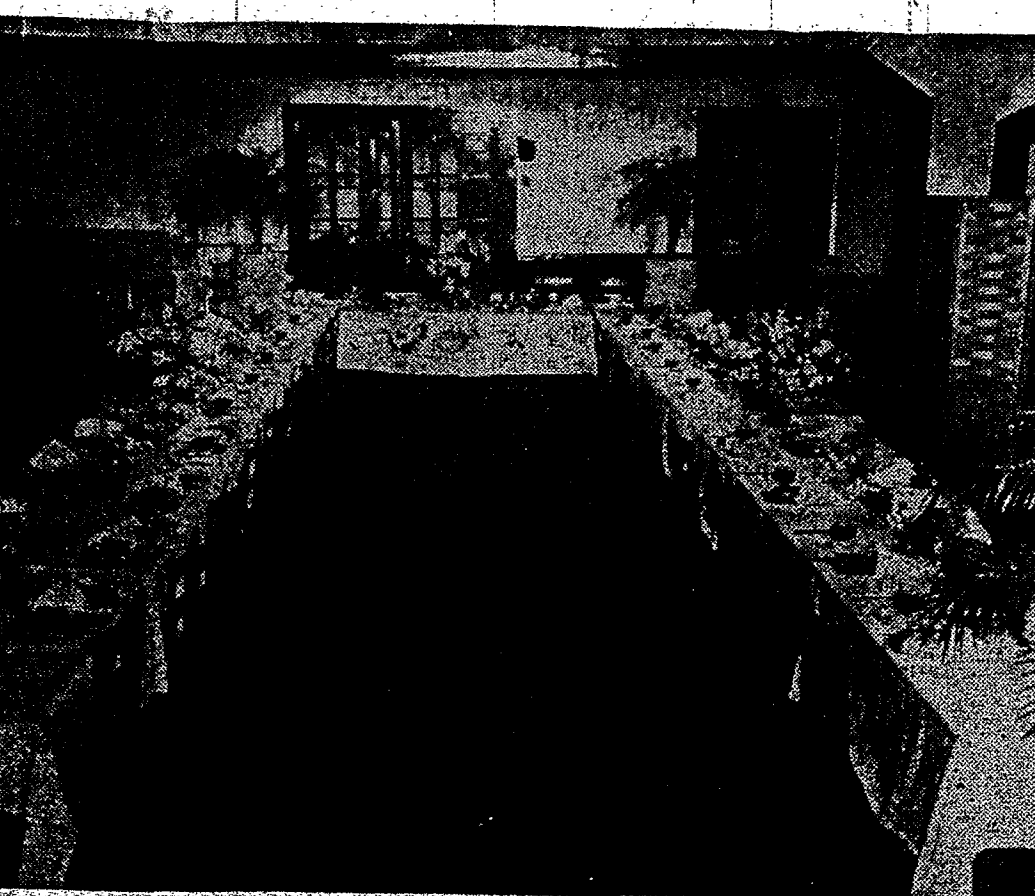

New industries affect the economy of southeastern Mississippi in many other ways, too.

The expenditure of hundreds of thousands of dollars for construction, raw materials, payrolls, etc., affect all of us in some way, either directly or indirectly through increased business activity.

Mississippi Power Company since its organization, has assisted in attracting new industries to this area by cooperating fully with state and local officials, civic organizations and other interested groups. A New Industries department devotes full time to this very important activity.
